

Wynnwith Group Limited

Wynnwith Group Limited is one of the fastest growing Engineering, Technical and Operations recruitment businesses in the UK, operating as a wholly focused staffing business with specialist divisions in Aerospace, Flight (Airlines & Airports) and Rail. In addition, **SOLCISTUM**, our Workforce Management Division also operate within the Automotive, Electronics, Manufacturing and Telecommunications industries.

With over 35 years expertise in identifying and attracting engineering talent, Wynnwith currently has in excess of 3000 engineers and production staff on temporary assignments in the UK and internationally. This pedigree in technical contract recruitment also means that our permanent recruitment team is well placed to assist with client recruitment projects. Working within specific vertical markets, we ensure our consultants are knowledgeable within their specific market sectors.

Wynnwith is a leading specialist in providing master vendor and managed service solutions to its clients. We currently deliver full-managed service staff and production worker programs to a number of blue chip clients including Rolls Royce, Airbus UK, GKN Aerospace, GKN Autostructures, AgustaWestland Helicopters and Pall Europe, as well as many clients within other market sectors. Wynnwith is also an Airbus UK and GKN strategic partner.

It is through our engineering pedigree that we can service the needs of both our clients and candidates more effectively than other recruitment and staffing businesses. Wynnwith provides a complete range of human resourcing services to support our clients' entire engineering and technical and business service resource requirements.

Wynnwith have broad geographical presence with offices located at thirteen sites throughout the United Kingdom and an office in Milan, Italy. In addition, our Business Partner Network of professional labour suppliers extends Wynnwith's resourcing capability internationally into Europe, Asia, Africa, Canada and Australia.
